

Update: 4/11/2010

Hey Everyone!

Today was awesome. Our kids have worked so hard and it really shows! This is going to be a great show. Just a few things to remember as we head into tech week.

Monday starts rehearsals at Youthfront theater. Please remember to enter at the north side entrance, no exceptions please, we need to get all these kids checked in!

Tomorrow at 3pm we will be loading the truck. We do not have a whole lot to load, but a few extra workers would really help. With several strong backs we should be done in about 1 1/2 hours. We would love your help.

Areas that we still need some help in:

Security- especially Friday night.

Ushers and parking lot for all shows- (We ask that ushers be dressed in black pants or skirts with white tops.)

Green room, Makeup and Refreshments

Please let us know if you can help in any of these areas. These committee leaders work very hard to make sure everything is covered and you save them a lot of worry if they know when and if you can be there to help.

Pre ordered ornaments, committee name badges and show passes will be available Monday night at pick up. IF your student needs eyelashes and has not yet picked them up, please do so Monday night. You will need to pay for these at the make up table.

All other tickets ordered previous to 4-7 will be available to pick up on Tuesday and Wednesday at rehearsals.

Thank you, Have a great and restful weekend and we will see you Monday night!
