

Congratulations Everyone!

The *Cosette* Cast list is finally here!

Thank you for your patience over the last couple weeks! As always the instructors and staff are blessed by each of you and it is a pleasure to get to know each student & their families better through every new opportunity.

La Vie De Cosette is a commemorative show in a number of ways. It is the premier of a unique storyline developed around the popular character of Cosette within the classic favorite, 'Les Misérables'. Also, this is the first year we have assigned the cast by audition - and what great auditions they were! TCH is filled with many students that are not only talented but of great character as well. Well done!

The Cast List is organized by the Rehearsal Schedule (January - June). Be sure to look carefully as you may have multiple parts and/or multiple rehearsal times. Everyone should be listed at least once, if this is not the case please do not hesitate to call! As always, if you have other questions - call or email anytime.

The entire staff at TCH is looking forward to creating a new, incredible dance production with you. We offer many opportunities with set painting, costume development, backstage, rehearsal assistance, tea party preparation, hosting, etc. Parents, your time invested in these areas creates a memorable production for you, your children, and new friends. You really do make an extraordinary difference! Some important dates for your calendar are:

Parent Meeting 1: Friday, February 25th

Parent Meeting 2: Friday, May 20th

Dress Rehearsal at TCH: Saturday, May 21st

Dress Rehearsal at TCH with Photos: Saturday, June 4th

Classes @ Theater: Monday, June 6th & Tuesday, June 7th

Full Dress Rehearsal at the Theater: Wednesday, June 8th & Thursday June 9th

Production: Friday, June 10th 12pm & 7pm, Saturday, June 11th 2pm & 7pm

The Culture House knows that each person is created for a special purpose with unique gifts and we feel privileged to be a part of your journey. There is no '*small part*' as some may say - it's not even a part of our TCH vocabulary! Each of you has a very important part in bringing out the story of "Cosette" and making this production great.

It wouldn't be the same without you!
