CALLBACKS!**

Thank you so much for joining us for auditions tonight! We appreciate your flexibility, especially with many auditions taking place without power. Thank you for understanding as we adjusted the process!

Callbacks are tomorrow from **9:00 AM–12:00 PM**. Actors will be released as they finish, with everyone released by 12:00 PM.

Please check the Callback Materials folders and print the materials for any characters you're called back for. Everyone will sing the Great Workers Cut in the EVERYONE folder.

Please bring water and closed-toe shoes!

We look forward to seeing you tomorrow! Final cast lists will be posted on the website Wednesday evening at the latest. - Ms. Starr & Ms. Kaelana

This is a mature role written for a changed male voice, so we want to make sure we find the right fit. To keep our actors healthy and set them up for success, we're committed to casting someone who can comfortably sing within the appropriate vocal range.
